### The Coming of Fall

Even with the unseasonably hot and muggy weather, it seems as though fall has arrived. Colorful leaves are scattered around the playground and if we are lucky, we are able to enjoy a cool breeze during recess. With the coming of fall comes normalization

in our classrooms. Children and teachers are settling into their routines and have become more comfortable with their new classroom communities. We would like to thank you for sharing your children with us. As always, they are at the heart of what we do!

### Children's House Curriculum Meeting

Our Children's House Curriculum Meeting will begin with a brief overview of each classroom's daily schedule. Afterwards, parents will rotate through all three classrooms to hear information on different aspects of their child's Montessori curriculum.

This meeting is open to all current Children's House parents, but it is especially informative for our new families. The teachers from all three classrooms will be hosting this event so it is a wonderful opportunity to meet the entire Children's House staff. *We will not be able to offer childcare for this meeting.*

## Pinot's Palette Parent's Night Out

Grab your best friend, next-door neighbor, exercise friends, mommy group, anyone who just needs a night out! Pinot Palette in Apex is sponsoring Heartwood Montessori on Friday, October 27th from 7:30-9:30.

Come for 2 hours and paint alongside all your closest friends. The more people we get registered, the more

money that will be donated back to Heartwood. If we can get more than 55 people signed up, Heartwood will receive \$18 for every painter!

Please pass along this sign up to anyone who you think might be interested in a night out, filled with painting and fun! We will be completing the painting, Harvest Moon you see pictured above.

Hope to see you there!

**Please register and RSVP for this event here:**

(There will not be assigned seats for this event. You can leave the seating preference blank.)

## Annual Costume Parade

The Costume Parade includes all of our students except for the Toddler House. Our Toddler House students will observe the parade, which marches around the school, from their playground.

Please choose costumes that our littlest students can still enjoy. (Or at least not be terrified by!) In years past, some students have found that leaving certain elements of their otherwise “scary” costumes at home have made them more appropriate for school. We also ask that our students please do not bring any play weaponry to school for the parade.

The parade is a favored tradition by many of our students and staff members! It will begin at 9:15. Please plan on arriving early as parking can get tight.

Hope to see you there!
