

HEARTWOOD MONTESSORI SCHOOL  
FIELD TRIP PERMISSION FORM  
FOR THE 2018-2019 SCHOOL YEAR

I give permission for \_\_\_\_\_ to participate in field trips with Heartwood Montessori School during the 2018-2019 school year. I understand that these will be day trips and involve transportation in private automobiles and vans. The room representative will notify me by email each month of the scheduled field trips. As a volunteer driver I will be responsible for the children in my car and keep those children with me at the field trip location. I will follow the route recommended by the teacher BOTH ways. New families are required to have a family member accompany a child on his/her first field trip.
