ENROLL TODAY!**

Limited Spots Available

### CRAZY CHEMWORKS

This action packed program explores the chemistry of everyday life. Students will learn and apply the concepts, tools and techniques of real chemists with spectacular hands-on activities, stunning demonstrations, cool take-home projects and inquiry-based discussions. Kids will both learn and apply the concepts, tools and techniques of real chemists! They will explore glow-in-the-dark technology, mix potions, make slime, and more! Crazy Chemworks serves as the perfect introduction to chemistry!
