

HEARTWOOD MONTESSORI SCHOOL
FIELD TRIP PERMISSION FORM
FOR THE 2019-2020 SCHOOL YEAR

I give permission for _____ to participate in field trips with Heartwood Montessori School during the 2019-2020 school year. I understand that these will be day trips and involve transportation in private automobiles and vans. The room representative will notify me by email each month of the scheduled field trips. As a volunteer driver I will be responsible for the children in my car and keep those children with me at the field trip location. I will follow the route recommended by the teacher BOTH ways. New families are required to have a family member accompany a child on his/her first field trip.
